

## **Friends of Ferris May meeting**

May 18, 2017 @ 1800hr

Ferris Provincial Park – Main Office

Welcome and Call to Order

Present: Barb Hogan, Carol Robertson, John Knox, Anne McCarthy, Theresa Miller, Donna Wilson, Kayla Vieth and Sandy Chapman

Regrets: Marcia Perryman and Ontario Parks

Review and approval of March and April 2017 minutes.

Motion to accept by: Theresa Miller

Seconded: John Knox

### **Regular Business**

#### **Merchandise**

***Lead: Barb and Kayla***

Barb got pricing for printing T-shirts for the same ones that we got last time (Gildan. They come in many colours), their pricing works out to \$11.50 for S-XL and \$13.75 for XXL. She also looked for Canadian made T-shirts (they only come in white, grey, black & navy). Canadian made costs out as \$14.50 for S-XL and \$15.50 for XXL. We debated regular versus Canadian made as well as printing the old 'Get Over It' logo as well as the regular logo.

We have decided to get 10 assorted colours with the regular logo (Gildan) of each S-XXL as well as 10 children's T-shirts assorted colours as well if they are available.

Barb will follow up if need be.

#### **Kite Day**

***Lead: Anne & Sandy***

Mowing is going very well with the new mower. Food is all ready and purchased except for the buns that Barb will get fresh. Sandy has put out all but three of the 12 posters printed. Donna and Theresa took a few posters each to put up. Kayla will print more for her to put up from the PDF. Volunteers are mostly all signed up.

We worked together to tape the bridles on the last 50 kites.

Kayla will bring the info booth stuff and lead it's set up.

#### **Postcards**

***Lead: Anne& Barb***

Anne gave some background on the 2 month back and forth with Schelle at Holmstead. The layout and details are now finalized. The postcards should be printed tomorrow and Barb will try to get them out before the long weekend.

#### **Playground**

***Lead: Barb***

Carol and barb went to the official presentation for the awarding of the Community Impact grant. Barb has posted the certificate on facebook. She will also ask Rob if we can post it in the gatehouse.

#### New Business

Sandy raised the difficulty finding the bike trail map on our website and suggested that we should consider making it more prominent. Everyone agreed that would be a good idea also to make sure it's on the facebook site as well.

#### Financials

The current balance is \$14,270.56, nothing else new to report.

Next meeting: July 13<sup>th</sup> 2017 at the park office.

Notes: kites were \$246
